**CANADIAN CARIBBEAN ASSOCIATION OF HALTON**

**KICKOFF CELEBRATION**

Thursday, February 6, 2020 @ 6:00 - 8:00 pm  
Oakville Town Hall | South Atrium

PRIME MINISTER • PREMIER MINISTRE

### Message from the Prime Minister of Canada

It is with great honour that I join communities across Canada in celebrating Black History Month.

For more than 20 years, Canada has officially recognized February as Black History Month. Canada derives strength from our diversity – a strength that has been immeasurably bolstered by our Black Canadian community. For hundreds of years, this diverse community has helped forge our nation, despite the barriers of discrimination and injustice faced by Black Canadians over the span of our history.

Today, we gather to celebrate the countless contributions and rich cultural heritage of our Black Canadian community, which is, and will continue to be, a crucial part of our nation's collective identity.

Thank you to the organizers for hosting this amazing event and all those in attendance for coming out to celebrate Black History Month.

Please accept my warmest welcome and best wishes for a memorable event!

Ottawa

## Message from Halton Regional Chair Gary Carr

On behalf of Regional Council, I am pleased to extend my best wishes to the Canadian Caribbean Association of Halton (CCAH) as you celebrate Black History Month.

The CCAH is an important organization in our community which promotes diversity and promotes inclusion in Halton through various activities. The art exhibits, cultural celebrations, educational programs and family events that you host honour your distinct Caribbean heritage and its significance to Halton's history.

Tonight's event showcases visual artists and performers, and begins a month of cultural and educational activities to celebrate Black History Month. By inviting everyone to celebrate tonight and throughout the month of February, the CCAH gives us a chance to get to know our neighbours and build a stronger, more cohesive region.

Halton Region welcomes, respects and values diversity, and we work to provide services in a way that meets the needs of all residents. Tonight's celebration reminds us that actively promoting inclusion creates a more vibrant and supportive community.

On behalf of Regional Council, I'd like to thank everyone involved with today's celebration, and the CCAH's ongoing efforts in Halton. Together, we keep Halton a great place to live, work, raise a family and retire.

Sincerely,

To the Canadian Caribbean Association of Halton  
in celebration of  
Black History Month 2020

In 1995, the House of Commons officially recognized February as Black History Month in Canada following a motion introduced by the first Black Canadian woman elected to Parliament, the Honourable Jean Augustine. The motion was carried unanimously, officially recognizing our nation's black history.

This year's Black History Month theme is "Canadians of African Descent: Going forward, guided by the past" it is inspired by the United Nations proclaiming 2015-2024 the International Decade for People of African Descent, which emphasizes; recognition, justice and development.

Every February, and throughout the year, we honour the legacy of Black Canadians, past and present whose contributions helped make Canada the prosperous, compassionate and multicultural nation it is today.

Thank you for bringing our community's rich black history to life throughout the month.

Best regards,

## **Greetings for the Canadian Caribbean Association of Halton (CCAH)**

### **Black History Month February 2020**

I am delighted to extend my warmest personal greetings to everyone involved in the CCAH's Black History Month activities and Kick-Off Event.

This is a wonderful opportunity to celebrate the special history and significant contribution the black community has made to our community.

It has been more than a century since the early black settlers arrived in Halton. Their culture and activities have helped to build and enhance our community's knowledge of different cultures and our appreciation of all cultures that comprise the rich diversity of our Halton community.

The early settlers worked hard and not only made a better life for themselves and their own families but they enriched the lives of their fellow citizens and their descendants. They have left Halton an enduring legacy.

Please accept my best wishes for memorable and exciting month long celebrations of Black History Month.

Sincerely,

Stephen Crawford, Member of Provincial Parliament  
Oakville

Dear Friends,

As Member of Parliament for Oakville and on behalf of the Government of Canada, I would like to wish everyone a wonderful Black History Month. Every February, we acknowledge and celebrate the many achievements of Black Canadians across Canada.

Black Canadians have helped to shape Canada into the compassionate, diverse and prosperous country that we are fortunate to call home. This occasion is an opportunity to acknowledge and educate all Canadians about the important contributions of Black Canadians to the settlement, as well as the growth and development, of our nation.

I look forward to continuing to recognize the contributions of Black Canadians who have helped to develop an increasingly inclusive society including right here in Oakville. I would also like to thank The Canadian Caribbean Association of Halton who continue to share their culture and have an extensive schedule of events planned for Black History Month.

Please do not hesitate to contact my office for assistance with any federal issues; my staff and I are always happy and willing to assist you.

Sincerely yours,

Hon. Anita Anand  
Member of Parliament  
Oakville

February 1, 2020

It is with great honour that I join with the Black community in Halton to celebrate Black History Month.

In December 1995, the Honourable Jean Augustine, the first ever Black woman elected to the House of Commons, introduced a motion that received unanimous consent to recognize February every year as Black History Month in Canada.

This year's theme is "Canadians of African Descent: going forward, guided by the past." It echoes the United Nation's theme for the International Decade for People of African Descent: recognition, justice and development.

As a kid growing up in Oakville, aspiring to go to the Olympics, I had no shortage of Black sporting heroes to look up to. From local track and field Olympic Champion Donovan Bailey, to World Champion kayaker Renn Cichlow, I was consistently inspired by them and others to try my best. Now that I'm in public service, people like Jean Augustine, President Barack Obama and my colleagues Greg Fergus, Ahmed Hussen and Emmanuel Dubourg are my role models.

Thank you to the organizers and supporters for hosting us at all of the Black History Month events throughout February across the Halton region.

By celebrating the contributions, stories and successes of the Black community – Canada's youth of today and tomorrow will have no shortage of inspiration to chase their goals and achieve their dreams.

Sincerely,

# HALTON REGIONAL POLICE SERVICE

One Vision One Mission One Team

On behalf of the Halton Regional Police Service, I am honoured to support 2020 Black History Month and the many related events, sponsored by the Canadian Caribbean Association of Halton and the Oakville Museum.

Diversity and inclusivity are fundamental principles entrenched in our Business Plan and reflected in the many partnerships and initiatives that the Halton Regional Police Service has established. Valuing diversity is a process that embraces the difference within our society and views it as a strength. What better way to promote the cultural diversity this Region is well known for than to celebrate its history and traditions, through the spoken word and other art forms.

Our Service is proud of our partnership with the Canadian Caribbean Association of Halton and look forward to many collaborative opportunities in the future.

Diversity is our strength.

## The Four Pillars

The members of the CCAH support what we call the four pillars of our organization: (1) **Education**; (2) **Culture**; (3) **Community**; and (4) **Harmony**.

These four core values are beautifully captured in local artist Beverly Tang-Kong's painting entitled "The Spirit of Angels." This artwork was incorporated into the CCAH logo.

Beverly Tang Kong

**Education:** The CCAH works closely with the Halton Region schools to create a positive impact among the students who are directly engaged in our exhibits and programs throughout the year.

**Culture:** The CCAH has established a steel band program that involves the broader community - people of all ages and backgrounds - and creates the opportunity to discover the joy of music in a unique way that is fun and easy to learn. Other programs include Caribbean Folk Dance lessons, African Drumming classes, and New Horizons for Seniors.

**Community:** The CCAH participates in numerous community events including the Oakville Waterfront Festival, the Carousel of Nations, and numerous Black History Month events. The goal is to ensure that the larger community is aware that the Caribbean community is committed to contributing to the Halton community.

**Harmony:** The CCAH participates and sponsors research studies that help provide insight and better understanding of Halton's Black community. The CCAH partners with the Halton Regional Police Service to co-deliver diversity and youth-focused programs.

## **The Underground Railroad: Next Stop, Freedom!**

Erchless, home of the Chisholm's, Oakville's founding family, has an informative Black History Exhibit which gives the visitor an in depth overview of how the Town of Oakville played an integral part in the road to freedom, as a gateway to Canada for many African Americans. William Chisholm purchased land around the Sixteen Mile Creek in 1827, and in 1834, the Town of Oakville became an official Port of Entry to Canada. Ships from Oakville sailed throughout the Great Lakes and many escaped slaves were assisted by ship captains to stow away in grain vessels. In particular Captain Robert Wilson of Oakville transported many African Americans to Oakville.

Upon arrival in Oakville many escaped slaves were aided by James Wesley Hill, an escaped slave and celebrated conductor of the Underground Railroad. In this exciting and moving multi-media presentation, the ghost of Deborah Brown tells the true story of her heroic flight from a life of slavery in Maryland to her new life of freedom in 19th-century Toronto.
