Canadian Caribbean Association of Halton
2303 Bridge Road
Oakville, Ontario L6L 2G6

Dear Members of the Canadian Caribbean Association of Halton,

I am writing to express the Foundation's gratitude for your outstanding commitment to exemplary and equitable patient care at Oakville Trafalgar Memorial Hospital. Your recent accomplishment of fulfilling a \$25,000 pledge, two years ahead of schedule, is remarkable and heartwarming.

The impact of your recent pledge is far reaching. Because of donors like the Canadian Caribbean Association of Halton, the hospital is able to provide Continuous Glucose Monitors to diabetics who may not have the financial resources or adequate insurance to afford this vital blood glucose management tool. Patients across Burlington, Oakville, Milton, Georgetown, Mississauga, Hamilton, and Brampton have benefitted from this compassionate program.

For over three decades, the Canadian Caribbean Association of Halton and the Oakville Hospital Foundation have developed a partnership rooted in mutual goals and a commitment to community wellbeing. Your partnership has made a lasting impact on the health and well-being of our community and is an example for other community groups to follow.

We look forward to celebrating the completion of this pledge and sharing the impact of your support at the February 1, Black History Month kick-off celebration.

With sincere gratitude,

A handwritten signature in blue ink, appearing to read "Mary McPherson", is enclosed in a light blue rectangular box.

Mary McPherson, CFRE
